### CITY COUNCIL MEETING STAFF REPORT

Date: May 11, 2010  
Agenda Item:

**Subject: Wheatland-Premier Grove Landscaping and Lighting District Engineers Report and Public Hearing Date for Proposed Assessments.**

**Prepared by:** Stephen L. Wright, City Manager

---

**Recommendation:** Council adopt the attached Resolution of intention to levy assessments for the Wheatland-Premier Grove Landscaping and Lighting District and providing for notice of hearing.

**Discussion:** Attached for Council information is the annual Engineer's Report established for the Wheatland-Premier Grove Landscaping and Lighting District prepared by SCI Consulting Group on behalf of the City. Each year the City Council must re-establish the appropriate assessments for the services provided to these areas and this year the report reflects a 2.610% CPI increase to the assessments. The attached Resolution generally describes the services to be provided through these assessments and establishes a public hearing date of June 22, 2010 where action to formally set these rates would be taken. The action proposed tonight only sets the hearing date.

Mr. John Bliss from SCI consulting Group will be in attendance at tonight's meeting to address the Council on this issue.

**Alternatives:** None

**Fiscal Impact:** None
